## About This Game

altero

A sad puzzle-adventure game about death and redemption

"Born without consent with one only purpose: pain. You are responsible for the loss of many lives and your lack of choice cannot change that fact. Your desire for a different life dances with leaves on the wind."

the game

Altero is a brain teasing puzzle-platform game where you need to learn how and when to sacrifice yourself in order to overcome the obstacles.

Dive deep into the heart of the Sorrow Forest and help Ady, a cursed voodoo doll, finding his redemption by rescuing the lost souls.
