Instructions](../doc/help/online-help/installation.md) Saturday, March 9, 2011 I Want To Be a Member of the Amish Community There are many things I love about the Amish people. They live in a peaceful community that is so much different than what I have experienced. For example, their view of justice and morality is so much different than mine. They don't see things the way I do. They aren't all about appearances. They have faith in God. They are humble people, not because they are weak, but because they think they are worthy of the greatest gifts. They aren't afraid to show their faith in God, they are afraid of doing something wrong because it will hurt them in the long run. There are some things I don't like about the Amish people, but there are some things I love about the Amish people. I love that they are humble and serve God. I love that they understand that we aren't perfect, we are just trying to do our best. I love that they are kind, and they are good parents. I 82157476af
